Dear Sirs,

Re: Newbuilding Supervision (Hull No. CX0405/06/07/08) at Chengxi Shipyard

Following the successful delivery of the fourth of 45,000DWT Bulk Carriers from Chengxi Shipyard in the end of Oct 2011, we write to express our appreciation upon successful completion of the project.

All the vessels were delivered within their respective delivery date. Even more significant, however, is the fact that the quality of construction is substantially than the originally anticipated at the time of entering into the shipbuilding contract.

There is no doubt that both the timely delivery and the high quality of construction finally achieved are a direct result of the efforts of the site team and regular support from Graig Shanghai office. Accordingly, we wish to express our complete and total satisfaction with the services provided by Graig China during constructions of the vessels.

顺颂

商祺
